Dear Mr. Burch,

Thank you for contacting me regarding your views on statehood for the District of Columbia. As we work in the Senate to meet the enormous challenges facing this country, including efforts to strengthen our economy, create new private sector jobs, reduce the federal deficit and establish energy independence, your views and those of your fellow Virginians are very important to me.

I am honored to serve Virginia as your United States Senator. My top priority in the Senate is to provide efficient and effective constituent service to all Virginians. Please be sure that my office will review your comments carefully as I consider and vote on relevant legislation.

Again, thank you for contacting me. For further information or to sign up for my newsletter please visit my website at <http://warner.senate.gov>.

Sincerely,

MARK R. WARNER  
United States Senator
